

Demystifying the SAT & ACT at Bartow High School

This course has been offered in Central Florida since 1997. Former students have been admitted to top-tier universities across the United States (e.g., the Ivy League, MIT, Hopkins, and Stanford) as well as throughout Florida and received millions of dollars in scholarships. This program was developed and taught by Bob Alexander who has now trained experienced, excellent teachers to provide the instruction while he oversees the distribution of the program throughout the Southeastern US.

The key to success is that the more you practice, the better you will do. Therefore, class time is focused on practice, practice, practice. You will be introduced to his insider strategies, tips, and tricks by **watching videos as homework**. When you come to class there will be a brief review of the video. However, we will spend the vast majority of class time practicing applying strategies, tips, and tricks using **actual** SAT and ACT test items.

You will use Bob's *Demystifying the SAT and ACT* videos and student manual (.pdf file) that **you are responsible for downloading and printing**, as well as *The Official SAT Study Guide* and *The Real ACT Prep Guide*, and free access to Bob's website maxthetest.com.

You must provide: pencils, highlighters, calculator, 3-ring binder (for .pdf file), and 3x5 note cards (optional).

Complete the registration form <http://maxthetest.com/test-prep/live-classes/registration> and email it to bob@maxthetest.com. The course is \$800.00 but all students at Bartow High receive a \$400.00 automatic scholarship.
