

Demystifying the SAT & ACT

Celebration, Florida *June/September, 2014*

Here's a unique schedule for those of you that would like to attend an SAT/ACT prep class: eight Sunday afternoons in June and July & two Sundays right before the September ACT and October SAT!

This course has been offered in Celebration and Central Florida since 1997. Former students have been admitted to top-tier universities across the United States (e.g., the Ivy League, MIT, Hopkins, and Stanford) as well as throughout Florida and received millions of dollars in scholarships. This program was developed and taught by Bob Alexander who has now trained experienced, excellent teachers to provide the instruction.

The key to success is that the more you practice, the better you will do. Therefore, class time is focused on practice, practice, practice. You will be introduced to Bob's insider strategies, tips, and tricks by watching videos as homework. When you come to class there will be a brief review of the video. However, you will spend the vast majority of class time practicing applying strategies, tips, and tricks using **actual** SAT and ACT test items.

You will receive all of the following for only \$25/hour of class time (48 Hours for \$1,200.00):

- *Demystifying the SAT and ACT: Anytime, Anywhere* online course (\$50/month value)
- *Demystifying the SAT and ACT* student manual (\$50.00 value)
- *The Official SAT Study Guide* (\$21.99 value)
- *The Real ACT Prep Guide* (\$34.95 value)
- Access to maxthetest.com.(Priceless!)
- Free teacher access during the month of August / September (you get 1 hour of one to one phone support) (\$100/hour value)
