

Demystifying the SAT & ACT

Celebration, Florida Fall Prep: Sept. to October, 2014

Here's a unique schedule for those of you that would like to attend an SAT/ACT Fall Prep Course: Eight Sunday afternoons in September through October preparing students to take the October, November and December Tests.

This course has been offered in Celebration and Central Florida since 1997. Former students have been admitted to top-tier universities across the United States (e.g., the Ivy League, MIT, Hopkins, and Stanford) as well as throughout Florida and received millions of dollars in scholarships. This program was developed and taught by Bob Alexander who has now trained experienced, excellent teachers to provide the instruction.

The key to success is that the more you practice, the better you will do. Therefore, class time is focused on practice, practice, practice. You will be introduced to Bob's insider strategies, tips, and tricks by watching videos as homework. When you come to class there will be a brief review of the video. However, you will spend the vast majority of class time practicing applying strategies, tips, and tricks using **actual** SAT and ACT test items.

You will receive 32 hours of class time plus much, much more all for \$1,000!!!

“Every student receives individual evaluations”
